Don't miss our Winter Production: **Steel Magnolias!**

The cast and crew are working hard on the finishing touches of our production of *Steel Magnolias*, led by guest director Jarod Howard. Come and see the funniest show you'll ever cry over. Engaging, thoughtful, powerful and tender, wrapped around sassy, brassy Southern style. This is a show you will never forget.

Friends of the District Award

On January 23rd, Lakeland Players was recognized at a special ceremony for local businesses and community members who support the Elkhorn Area School District in some way. Our theater group was recognized and given framed artwork created by a student of the district. This was the recognition: *Lakeland Players has been a home to many of our performing arts students throughout the district. Not only has the theater hosted dance recitals and concerts, but several times a year our district's youth have been involved in many aspects of the theater programs put on at the Sprague Theater. Last summer, LPL hosted 35 area kids at a theater camp (grades second through 10th grade) that culminated in a production of Madagascar Jr. In December, 39 kids performed 'Twas the Night Before Christmas to sold out audiences. Many of our high school students participate in some of the adult shows performed on the stage. The beautiful historic theater continues to support the arts and provide wonderful programs for our community!*

DWAYNE ARNOLD MEMORIAL SCHOLARSHIP

Dwayne Arnold was a young man from our community who loved his time in the theater. We are sad to have said goodbye too soon. Lakeland Players wishes to support those with a similar love of performing and creating theater by awarding an anual scholarship.

Scholarship preferences will be given to graduating seniors who have been involved in productions at LPL's Historic Sprague Theater.

For more information and to begin the application process, please visit our website at lakeland-players.org
